Community Services

Category 10

Community services includes the cost for the school system to provide activities for the community or some segment of the community. Included are public school evening activities, adult education programs/activities not directly related to the instruction of students such as community recreation programs and civic activities. Three types of salaries which fall into community services are the prorated portion of the normal salaries of regular day school employees, additional salaries paid to regular day school employees for community services, and salaries of personnel employed specifically for some community service activity.

Unrestricted Fund Summary	Actual 07-08	Approved 08-09	Proposed 09-10	Proposed Increase/ (Decrease)	% Change

COMMUNITY SERVICES

The category of Community Services consists of those activities which are not directly related to the program of education for students. Salaries of employees are specifically identified as related to Community Services activities (community recreation, civic activities, community welfare activities).
