

**CARROLL COUNTY PUBLIC SCHOOLS
2009 SAT SCORES**

OVERVIEW

The College Board will release the results of 2009 College Bound Seniors performance on the SAT Reasoning Test™ to the public on Tuesday, August 25, 2009. This year's seniors are the fourth group to have scores reported on the "new" SAT. Some of the changes to the SAT included: a student-written essay, analogies have been eliminated, shorter reading passages have been added, new content from third-year college preparatory math is included, and quantitative comparisons have been eliminated. Administration of the new SAT began on March 12, 2005.

2009 SAT REASONING TEST RESULTS SUMMARY

Carroll County graduating seniors in the class of 2009 who took the SAT Reasoning Test scored higher than students in the previous year. Students' mean score on the critical reading section (520) was six points higher than last year. The mean score on the mathematics section (532) was ten points higher than in 2008. Students' mean score on the writing section was 508. This is the same score as last year.

On the critical reading section of the test, Carroll County students scored 20 points higher than the Maryland average of 500 and 19 points higher than the national average. Mathematics scores were 30 points higher the Maryland average and 17 points higher than the national average. Writing scores in Carroll County were higher than the state and national averages by 13 and 15 points, respectively.

The percentage of graduating seniors taking the test this year was 56%. This is 4 percent lower than 2008.
