## **MISSION STATEMENT**

The mission of Carroll County Public Schools is to ensure that every student can thrive as a responsible citizen in a changing world by providing rigorous and challenging curriculum in partnership with quality staff, caring parents, and supportive community members.

# **CENTURY HIGH SCHOOL**

## **MISSION STATEMENT**

Every student at Century High School is a member of a safe, demanding yet supportive, learning community. By building on unique partnerships, providing a technologically integrated curriculum, and linking learning to future careers, the school will prepare our young people to become dynamic, self-directed, and responsible learners capable of mastering challenges and emerging as leaders in a rapidly changing world.

## **BELIEF STATEMENTS**

We, the community of Century High School, understanding that every child can learn and has individual worth, believe:

- Learning is an essential life process which must be self-directed and relevant to the students' future.
- Education is the shared responsibility of students, family, staff, and community.
- Learning is multi-faceted; it encompasses physical, social, emotional, and intellectual learning and happens at different rates and in different ways.
- The role of technology serves as a tool to enhance productivity and learning.
- All students and staff are accountable for contributing to a positive learning environment.
- Excellence is achievable and expected.
- An environment of high expectations, creative problem solving and risk-taking promotes excellence.
- Mutual respect, open communication, and a positive attitude foster a safe environment and a sense of belonging.
- Respect, responsibility, and integrity are the foundation of good character.
- Valuing diversity strengthens unity.
- We are all role models for commitment, honor, and scholarship.
