Dear Families,
 Can you believe that we have already completed one half of the school year? Another amazing fact is that it is February and we haven't had a snow day yet. Now that I've said that, we will probably get three feet of snow in April!

Mid-year is a busy time for our students and teachers. We have just completed several very important assessments and we will be meeting with each grade level team to analyze the data from those assessments. As a result of those discussions, students may be moved to new reading or math groups or maybe even to different classrooms. Our goal is to always meet the instructional needs of our students based on their current levels of performance. We will determine which instructional strategies will be most effective and if students need interventions or extensions.

Please take time to read the letter and utilize the reading behavior chart that was included with your child's progress report. We are pleased that even with the increased expectations, most of our students are performing on or above grade level in reading and we will work hard to keep them there. You should also have received information about your child's score on the January benchmark assessment in math. Over 90% of our students met the county standard of scoring 80% or higher. That is quite an accomplishment.

Speaking of assessments, our third, fourth and fifth grade students will be taking the Maryland State Assessments in March. Please put these dates on your calendars and if at all possible, please avoid scheduling appointments and vacations: March 14, 15, 20 & 21. We will send home more information about schedule changes as the time gets closer but we hope that by giving you this information now, we will avoid conflicts. Thanks for your cooperation.
 Robin Townsend and Craig Dunkleberger

Gift Card Bingo is Tomorrow Night!
Friday, February 3rd
Doors open at 6:15, Games begin at 7:00
\$10.00 for adults, \$5.00 for students
