Kay Hayes
Assistant Principal

Dear Linton Springs Families,

In partnership with the Carroll County Neighbors In Need program, once again Linton Springs would like to help Carroll County families for the holidays. By helping to provide gifts, clothing, and contributions for coats and food, the Linton Springs community can help make the holidays brighter for some of our neighbors. Mrs. Lewis, the school counselor, has information about the families and will be able to provide information with regards to sizes, specific needs, and also some things these families would simply like to have.

If your family would like to help, please send the information below with your child and have him/her bring it to Mrs. Lewis in the guidance office beginning Tuesday, November 10^h, 2009. Please specify how you and your family wish to contribute to our Neighbors In Need project. Once Mrs. Lewis receives your form, she will send a tag with the item information for your family.

If your family is providing a new clothing or gift item, these items should be wrapped and should also have the information tag tied or taped lightly to the wrapped gift. It takes a bit of time to organize everything for deliveries, **so please have all items in to Mrs. Lewis no later than Friday, December 11th, 2009.**

Thank you in advance for your generosity and for being a very giving part of a community that cares! You will truly help make a difference in the lives of these families!

YES, our family would like to participate in the Linton Springs/Neighbors In Need partnership project.

Student's Name: _____

Teacher: _____

_____ We would like to provide a new clothing or gift item.
