

Parents: Coming This September

Flu Mist Vaccine for Seasonal Flu!

This September the Carroll County Health Department and the Carroll County Public Schools are offering a:

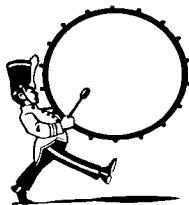

FREE influenza (Flu) vaccination program to all healthy children ages 5 years and above and in Kindergarten through the fifth grade.

The nasal flu vaccine is a **licensed nasal spray flu vaccine** and will be given right in school.

*The best part: it involves **NO NEEDLE!***

Look for more information and sign up forms coming home with your child soon.

LET'S BEAT THE FLU!
