

FALL 2011 After-School Clubs

The PTA is seeking Volunteers\* to lead After-School Clubs.

We have been able to offer a number of interesting clubs for our students over the years. Our goal is to offer a variety of clubs that provide fun, enrichment, and social interaction for all of our Linton Springs students. But we need your help!

Our goal is to begin the clubs the week of October 10, 2011 and end prior to Thanksgiving break. The clubs can be held on Mondays, Tuesdays, Wednesdays, or Thursdays, from 2:45-4pm and generally run at least six (6) weeks.

Some ideas for clubs could be:

Arts & Crafts	Computer	Chess
Gardening	Photography	Rugby
Rugby	Track	Games
Drama	Scrapbook	Touch Football

Or maybe you have another special talent to offer!!!

The After-School Club Coordinator will assist our Club Leaders by providing:

- \*Club guidelines including cost, size limitations, times, etc.
- \* Club advertising and handling student sign-up, permission forms, and fees.
- \* Parent Volunteers to help support each club.
- \* Funds to purchase supplies or equipment for clubs.

If you are interested in leading an after-school club, please return the form at the bottom to your child's homeroom teacher by Thursday, September 7, 2011.
