

PTA Volunteers

Linton Springs needs your help for a successful 2009-2010 year!

The Linton Springs PTA encourages you to get involved by volunteering and participating in school activities. All throughout the school year, we need volunteers for various events. No matter what your area of interest and experience, there is a position for you. Any time offered is appreciated! Please review the list below and consider offering to help. You will be contacted throughout the year and will always have the choice to participate or not at that time.
