

# IT Career Paths

Monday, June 20 – Thursday, June 23

9 a.m. – 4 p.m.

\$245

*An intensive four-day continuing education program for current high school students interested in a career in **Information Technology***

- Get hands-on experience working with IT projects in a variety of areas including programming, networking, hardware and software support and video game programming.
- Travel onsite to local IT departments of some of the area's leaders in information technology and see their technology firsthand.
- Meet and interact with IT professionals, supervisors and senior-level managers and learn about their work environments.
- Explore internships and career opportunities.

**Apply early! Space is limited.**

Incomplete or late applications may delay or disqualify your application.

For an application and complete details, visit [carrollcc.edu/ITCareerPaths](http://carrollcc.edu/ITCareerPaths) or call Continuing Education & Training.

**410-386-8100**

*Offered with the support of the following partners and sponsors: Carroll County Government; Carroll County Sheriff's Office; Carroll Hospital Center; Carroll Technology Council; Day 1 Studios; docuMacs; GSE Systems; InfoPathways; Mindgrub Technologies; Morber Marketing Group; New Windsor State Bank; Northrop Grumman Corporation; Shelter Systems; Waganer Digital Video and others.*
