

## Summer Programs

Consider enriching your summer by attending or enrolling in a Summer Program at a College or University. Don't miss out on the opportunity to make summer a learning experience. Courses are offered on a variety of topics and are available to rising Freshman, Sophomores, Juniors and Seniors. A summer program is a great way to enrich your high school course work and be sure that your career path is one you want to continue to pursue.

Brochures on these summer opportunities are available in the Counseling Office. Please stop in and ask questions if you are interested in attending.

***The Design Studio***- for students interested in Graphic and Multimedia Design. Held at Carroll Community College from June 20<sup>th</sup>- June 24<sup>th</sup>. Deadline to register, May 27<sup>th</sup>.

***IT Career Paths***- for students interested in a career in Information Technology. Held at Carroll Community College for June 20<sup>th</sup>- June 24<sup>th</sup>. Deadline to register, May 27<sup>th</sup>.

***Summer Center for the Arts***- for students who are gifted in visual arts, literary art, instrumental and vocal music, theatre or dance. This is an 8 day residential program from July 9-26<sup>th</sup>, held at Washington College in Chestertown, MD.

***NYU High School Precollege Program***- allows rising juniors and seniors the opportunity to experience academic and student life at New York University. Workshops and social events provide a way to get a taste of college while still having time to work, volunteer and enjoy the summer. Held every week from July 5 -August 12<sup>th</sup>.

***Naval Academy STEM Program***- offered to students who demonstrate superior high school performance, are involved in athletics and have appositve attitude. The program focus is to encourage students who plan to pursue a course of study in engineering and technology.
