WHAT IS FRESHMAN SEMINAR?

Freshman Seminar is a foundation course that is unique to Manchester Valley High School. This course will address graduation requirements that are not addressed in other courses. Freshman Seminar is designed to provide our incoming freshmen with the skills necessary to be successful in any academic class. All freshmen are strongly encouraged to sign-up for Freshman Seminar.

MANCHESTER VALLEY HIGH SCHOOL
INCOMING 9TH GRADE
2011-2012 STUDENT COURSE SELECTION WORKSHEET
www.carrollk12.org/mvh/

- **COURSE SELECTION:** All ninth grade students must choose at least one course in **English, Social Studies, Science, and Mathematics** as well as enough courses to total exactly eight (8.0) credits. Other elective courses chosen should meet graduation requirements (Fine Arts, Technology Education, etc.) and/or reflect a specific career focus.
- **PREREQUISITES/APPROVALS:** Please review the Program of Studies booklet to ensure prerequisites for each course have been met. The Course Selection sheet includes notification of prerequisites when required. Courses requiring the signature of a teacher or counselor have a blank line in the Approval column and must be completed before turning in the form.
- **ALTERNATIVE ELECTIVE COURSES:** Students should select two (2) alternates that will be assigned should your first choices not be available.
- **COURSE LEVELS:** Course levels are indicated on the Course Selection Sheet. Definitions of the levels and actual course numbers are listed in the Program of Studies. The last digit of the six-digit number indicates level. In order to help you select the appropriate courses for your child, a recommendation by his/her 8th grade teachers is attached to the Course Selection Sheet.
- **HIGH SCHOOL ASSESSMENTS:** Students enrolled in **Algebra, Biology, Global Perspectives, and Government** must pass the Maryland High School Assessment for that course.
- **FRESHMAN SEMINAR:** **Freshman Seminar will be offered as an Academic level course as well as an Honors level course.** Students should register for Freshman Seminar based on their level of English course. The course objectives include state mandated items.
- Manchester Valley High School will make every effort to schedule all the courses that you select. However, we reserve the right to make changes when conflicts occur.

I understand that I must make appropriate choices and am expected to follow my printed schedule. Teachers are hired and books and materials are purchased based on students' course selections.
