**January 25**  
**South Carroll High School**  
**7:00 PM - 9:00 PM**

**All current 8th graders and their parents are encouraged to attend.**

# South Carroll High School

## COURSE SELECTION WORKSHEET INSTRUCTIONS

Course selection is a very important process and should reflect your educational and career goals. You should rely on the advice of your parents, advisors, teachers, and school counselors. Refer to the 2012/2013 South Carroll High School Program of Studies for course descriptions and information about graduation requirements. The Program of Studies, Career Pathways and the course selection worksheet can also be viewed online at the following link. <http://www.carrollk12.org/sch/counseling/scheduling/default.asp>

### Teacher Recommendations:

Current teachers are encouraged to initial to the left of academic course(s) they recommend the student select. This is only a recommendation and will, in no way, override student/parent request.

All attempts will be made to schedule the courses as selected. The school administration, however, reserves the right to withdraw any course which has little student demand or when teacher services are not available for that course.

1. Use **PENCIL**.
2. Complete the boxed in section at the top of your worksheet first including name, phone number, parent signature, and post high school plans. **This is required.**
3. Select courses which a) will allow you to meet graduation requirements and b) are consistent with your selected post High School plans.
4. Select First Choice Courses By:
  - a) Placing an "X" in the box to the LEFT of the course number.
  - b) Teachers will need to recommend and approve level 1 courses.
  - c) **Credits must add to a total of 8.**
5. Students recommended to take Algebra I/Data Analysis - Part A will also take Algebra I/Data Analysis - Part B. This is a two (2) credit combination.
6. You **must** complete the Alternate Course Request section, found on the back of your course selection worksheet, for any course you selected which is noted with ♦ as requiring an alternate.
7. Elective choices should challenge students and reflect academic needs whether college bound or career bound. Carefully consider Completer Program requirements, college entrance requirements, possible college major, or career work plans.
8. **PARENTS MUST SIGN THE COURSE SELECTION SHEET.** A parent's signature indicates approval of the course selections and alternates as listed. A parent's signature also indicates support of school policy regarding schedule adjustments. Changing of course requests is greatly discouraged as textbooks and instructional materials are purchased based upon course selections made now.
9. **DEADLINE FOR COMPLETION:** Turn in your course selection sheet to your middle school counselor by **February 3.**

### Key to Codes

\* - An asterisk (\*) and a blank line next to the credit count indicates teacher's approval required to sign up for the course.

\$ - Cost may be incurred – see Program of Studies for specifics.

♦ - Indicates course requires an alternate

E - Elective credit only

● - Course will not be offered every year - see Program of Studies

A - Course ending in with A indicates A/B day option possible.

L - Some courses are offered in different levels. Use the following numbers to determine the level of the course:

L1 - Basic level course                      L8 - Honors level course

L6 - Academic level course                L7 - Articulated program

L9 - Advanced placement and transcribed courses

*No person will be denied admission to any school or to any program or course of study in Carroll County Public Schools on the basis of race, color, national origin, sex or handicap. Any student or parent having inquiries regarding the application of these rights should contact Mr. Eric King, Principal, 410-751-3575 or Mr. Dana Falls, Director of Student Services, 125 N. Court Street, Westminster, MD 21157, 410-751-3000, ext. 3123.*
