Measurement-Money, Fractions,
Geometry, Problem Solving

Social Studies

Rules & Responsibilities
Me & My Neighborhood
Past and Present

Science

Seeds
Engineering Is Elementary –
Designing a Hand
Pollinator
Magnets

Homework

Students will have homework Monday-
Thursday usually about 10 minutes of

work time. Please sign homework
folder/book every night.

Helpful Hints

- Establish good habits and a consistent routine.
- Please provide a good breakfast and lunch.
- Set up a homework area at home and keep it stocked with supplies.
- Assist your child with unpacking their book bag, completing their homework assignment, and re-packing their book bag.
- Return the homework book and take home folder to school every day.
- Periodically we will send home reminders to send “fresh” school supplies to school.
- Try to read with your child every night – partner reading or just one of you reading.

Volunteers

We will need a room parent for each classroom, parent volunteers to work individually or in small groups with students, and also parents who can type and run papers. Volunteer training should be completed seven school days prior to volunteering.

Celebrations

We will be recognizing and celebrating academic success and/or character traits throughout the year. One of these celebrations will be our Author's Party on the first Friday in June.

Field Trips

All field trips will be directly related to CCPS curriculum and classroom instruction. We are planning a fall field trip in November to extend and enrich our Social Studies units. We hope to add a spring field trip to this schedule.

Reporting to Parents

Interim reports will be sent home the first quarter; and if a grade drops at any other time the teacher feels necessary. Report cards will be sent home four times this year, please sign and return the brown report card envelope the next school day.
