# What We're Learning

Integrated Language Arts - Students will be mentored as young authors.

## Reading:

Guided reading groups  
Assessments each quarter

## Math

Patterns, Addition and Subtraction to 3 digits, Numeration-place value to 999 Time, Money, Measurement, Fractions, Geometry, Problem Solving and Probability.

## Social Studies

The World Around Me  
Our Community at Work  
Responsible Citizens in Our Community

## Science

Weather  
Insects  
Sink and Float

## Homework

Students will have homework Monday-Thursday. Students will be required to read 10 minutes each evening and will have a Math assignment most evenings. Please sign assignment books every night.

# How to Help Us at Home

- **Be sure your child reads each night.** You may want to read with your child, take turns reading and listening.
- **Look over your child's homework.** Homework should take no longer than 20 minutes a night. If difficulties arise, a note to your child's teacher is welcomed!
- **Sign your child's agenda book nightly.** Nightly homework, notes about special days, field trips, meetings, etc. can be found in the agenda book.
- **Talk to us!** We can't stress enough that we want to hear from you with questions, concerns, and comments. When we work together as a team your child benefits.

# Volunteers

We will need a room parent for each classroom, parent volunteers to work individually or in small groups with students, and also parents who can type and run papers. Volunteer training should be completed seven school days prior to volunteering.

# Celebrations

We will have four celebrations (one for each quarter) throughout the year. We will be celebrating academic success and/or character traits throughout the year.

## Field Trips

Tentative field trips may include attending a play, Piney Run Park, and a visit from an entomologist.

## Birthdays

Our school policy states that "food" treats may no longer be sent in to celebrate a student's birthday. You may want to instead send in pencils, stickers, any appropriate 2<sup>nd</sup> grade school supply, books for the classroom, or games/puzzles for indoor playtime.

## Reporting to Parents

Interim reports will be sent home the first quarter; and if a grade drops at any other time the teacher feels necessary. Report cards will be sent home four times this year, please sign and return the brown report card envelope the next school day.

## Snack

Due to our early lunch you may want to provide your child with a small healthy snack for the afternoon.
