

# Sykesville Ski and Snowboard Club

2010 - 2011

We want you, or maybe your whole family, to join us at Liberty Mountain Resort ([www.skilberty.com](http://www.skilberty.com)) for some snow fun. This year's club leader is Mr. Wisner, who teaches 6<sup>th</sup> grade math at Sykesville Middle. He is also an avid skier who, along with his family, has over 10 years experience on the local mountains. This is only our 2<sup>nd</sup> year with a club at Sykesville Middle and we want new student members, and also family members, to join us on the mountain. Listen for our first meeting, which will be in September, after Snow Time, Inc. announces their fall/winter events for Liberty, Whitetail and Round Top.

Mr. Wisner knows many ways you and your family can enjoy Ski Liberty. He will be happy to help you, or your parents, with any questions ([cjwisne@carrollk12.org](mailto:cjwisne@carrollk12.org)) and will be handing out information at school. Information such as; maybe your family would like to go to Liberty Mountain's Annual Fall Festival and Customer Appreciation Day on Sunday, October 17<sup>th</sup>, 2010 Noon to 4pm. It is a great time and anyone can ride the chairlift to the top of Liberty Mountain to take pleasure in the changing leaves, for FREE.

Any student can join the Sykesville Ski and Snowboard Club, even if you are unable to join us on the mountain. If you are brand new to snow sports, you might want your friends or family to join us in January for our one time "Meet on the Mountain." Club members will also learn about the early bird specials in October and how to purchase a "Family Advantage" or "Individual Night Club" card. If you know a 4<sup>th</sup> or 5<sup>th</sup> grader, Mr. Wisner wants to tell them they should join the Pennsylvania Snowpass Program before December ([www.skipa.com/4thgrademain.htm](http://www.skipa.com/4thgrademain.htm)). Snowpass members can get a lift pass for free with a paying adult. If we get enough club members we will be able to schedule our club's first ever bus trip to the mountain. Great winter time activities are available for the whole family and Sykesville Ski and Snowboard Club members.
