

Senior Portraits:

Senior portrait make-ups are scheduled for Thursday, October 6, and Friday, October 7. Seniors who did not get their pictures taken by Victor O'Neill Studios this summer will be mailed appointment cards for pre-scheduled appointments. Any other senior who needs to *re-take* pictures should go to the main office to sign up for an appointment.

Any senior who DID NOT have her/his picture taken by Victor O'Neill Studios must still have a school ID-card picture taken; please be sure to attend the session for at least the ID picture.

Any senior who had a picture done at a local studio must have her/his picture submitted by **December 1** in order to appear in the yearbook. Those pictures must be head shots taken in formal attire on a blue background WITHOUT props (refer to last year's book for examples). Please tell your photographers NOT to crop the pictures. All local photographers should submit the pictures via e-mail or on a CD as either a .tif or .jpeg file. If sending a CD, the photographer must include a thumbnail of all pictures with the seniors' names. Please call your photographer and ask her/him to send the CD to Ms. Doolan at Westminster High School. If you do not have a digital copy of your picture, the hard copy must be mailed to Ms. Doolan or dropped off at WHS; please understand that non-digital copies will NOT be as nice as the digital ones due to resolution issues. Be sure the student's name is clearly marked on the envelope. **THE YEARBOOK STAFF IS NOT RESPONSIBLE FOR ACQUIRING YOUR PICTURE FROM ANY PHOTOGRAPHER OTHER THAN VICTOR O'NEILL.**

Any questions should be directed to Ms. Doolan: lldoola@carrollk12.org
