

November Newsletter

I want to give a great big thank you to Mrs. Coffel, who brought in Billy the goat for all to see. The children really enjoyed it and there was an abundance of language in the classroom! It was a great way to culminate our unit on goats. I want to thank everyone who has had a conference either in person or over the phone. It is very much appreciated. If you have not had a conference and would like one, please call the school to set up a conference. Working together your child can benefit. Consistency is very important. Some items we use that you can use at home to provide that consistency.

- First, then (first we work than we play, and first we play then we put away)
- Use your words to tell me what you want
- Sing the ABC song while washing hands to ensure thorough cleaning
- Give choices –For example: you may either wear the brown shirt or the green shirt, you need to clean up the green cars or the red cars.
- Get, play and then put away. We focus on cleaning up one item prior to getting another item out.

The color for the month of November is brown. The number is 3, the letters are m and t.

The rhyme is Turkey Song

Turkey Song

I have a turkey, big and fat.

He spreads his wings and walks like that. (walk like a penguin or waddle)

His daily corn he would not miss.

And when he talks, he talks like this: "gobble, gobble, gobble."

Here are some dates specific to our class, please check school newsletter for additional dates.
