

I live in Westminster with my husband and my three year old daughter, Kayla, and our three cats: Boh-Boh, Kibbles, and Chubby Bebe.

This summer we spent our time at the pool, the library, and even took a few local trips, like the one to The Land of Little Horses!

Kayla is an avid reader even at the age of three! Her favorite characters are Disney Princesses, Splat the Cat, and Olivia.

Mrs. Marks Media Specialist

I began my career in education at Mechanicsville Elementary School in 1995 as a classroom teacher, and later moved to Laurel Woods Elementary School in Howard County as a Media Specialist.

I am a lifelong Carroll County resident! I attended William Winchester Elementary, East Middle, and Westminster High schools.

I received my Master's Degree in School Library Media from McDaniel College in 2003.
