## Supply List 2008-2009

*Welcome to Carrolltowne and to Kindergarten. There are many exciting things that you and your classmates will do and learn at Carrolltowne. During each school day we get to talk to each other, sing, read stories, learn poems, write, count, do math, play, and explore! You can help to make sure that you have a good time each day if you get plenty of sleep and eat good foods before you come to school.*

*There are some school supplies that we would like you to have this year. Perhaps you can help pick some of these supplies out at the store when your family goes shopping. We are asking all new Kindergarten students to bring several school supplies with them at the beginning of the school year in August. Some of these items will be collected by the teachers and used in the classroom over the course of the year. There is no need to label these shared items, as they will be available for use by the whole class. Other items will be labeled for each child.*

*Please bring the following UNLABELED items to school the first's week of Kindergarten.*

*These things will be shared.*

- 15 glue sticks (no liquid, no colored or scented)
- 1 box of tissues
- 1 box markers if your last name starts with A-M or 1 box colored pencils if your last name starts with N-Z
- 1 box crayons (24 pack)
- 1 dozen regular number 2 pencils with erasers
- 1 box Expo dry erase markers (assorted colors)
- **Please have a grownup LABEL the following items clearly with your name and bring them to school the first day.**

Please try to have all of your supplies in by your first day of school so we can get to work right away. Your bus tag and your teacher's name will be sent to you the first week in August. We are very excited that you will be coming to Carrolltowne!
