

## PLANNING QUESTIONS

1. What are your concerns?
2. How do you think your concerns affect your teaching and/or student learning?
3. Based on what you have told me about your concerns, what would you like me to Observe about your lesson?
4. What has led up to and what will follow this lesson?
5. What is your objective for this lesson?
6. What sequence of events will take place in this lesson?
7. What student behaviors do you hope to see and hear?
8. How will you know what students have learned and whether they can apply that learning?
9. What do you want to happen when \_\_\_\_\_?
10. What if \_\_\_\_\_ happens instead?
11. How will you evaluate your role in this lesson?
