

Partners of Education Carroll County Public Schools

Partners of Education in Carroll County Public Schools are welcome at all levels of the school system. Individual school partners work directly with the local school administration and others as designated to provide support to the school and in turn receive recognition for their efforts. School system-wide partners work with the Coordinator of Business & Community Partnerships and others as designated to build lasting relationships, programs, and services that will benefit the entire school and business community.

A Partner of Education may do one or more of the following:

- Commit to tutoring students based on a structured plan in cooperation with the School Improvement Plan.
- Develop an incentive plan in cooperation with school staff to encourage students in all areas of academic achievement.
- Provide work experience opportunities for students and job shadowing opportunities.
- Provide guest speakers for specific topics at the school.
- Expose students and staff to state of the art technology used in business and industry.
- Present topics to the school PTA/PTO to reinforce the value of and encourage parent involvement in the school programs.

A Partner of Education may benefit through one or more of the following:

- Student display of artwork and projects in the Partners employment location.
- Students perform service-learning activities.
- Schools provide recognition for Partners of Education through school publications and other avenues available to the school.
- Teachers may serve as educational resources to Partners of Education.
- Partners may develop leadership skills through involvement with schools and the school system.
- Partners of Education will build goodwill between themselves and the entire school community.
- Annual recognition by the Carroll County Public School system through recognition breakfasts, lunches, school assemblies, PTA/PTO meeting and/or public Board of Education meetings.
