

**CARROLL COUNTY PUBLIC SCHOOLS**  
**ADMINISTRATIVE REGULATIONS**  
**BOARD POLICY KGF: COMMUNITY USE OF SCHOOL FACILITIES**

It is the intent of the Board of Education of Carroll County and school system personnel to provide for the use of school facilities for community purposes when such use does not interfere with the scheduled school program. The use of school buildings and grounds for cultural, civic, educational, recreational and charitable purposes is recognized as a value to the community.

Particular emphasis should be given to fostering Carroll County Public Schools' adopted Joint-Use Agreement policy, as endorsed by the Board of Education on June 12, 1974, for the co-use of facilities by education and recreation. In this way, the Board of Education will more fully realize its ultimate goal of establishing the school buildings and grounds as true educational, recreational, and cultural centers of the community.

The usage of facilities shall be construed to include buildings and grounds and the following priority listing shall govern the usage of such:

**A. *First Priority - School Program Use***

This includes any curricular or extra-curricular function that is an extension of the educational program, e.g., class plays, concerts, socials, etc.

**B. *Second Priority - School Affiliated Activity***

This includes an activity that contributes to the various aspects of the educational program, e.g., Parent Teacher Association activity, Booster Club activity, etc.

**C. *Third Priority - Department of Recreation and Parks***

An activity receiving this priority is one that is under the sponsorship of the Carroll County Department of Recreation and Parks and/or its affiliated Community Recreation Councils.

**D. *Fourth Priority - Non-Profit Childcare***

This includes before and after school and summer childcare programs as allowed in accordance with the Administrative Regulations pertaining to this activity. See Section 3.15.

**E. *Fifth Priority - Non-Profit Community Use***

An activity placed in this category would be one that is sponsored and supervised by such non-profit groups as civic clubs, farm groups, veterans groups, volunteer groups, church groups, improvement associations, Home Owner's Association, etc. The topics may or may not relate to the educational program of the school(s) involved. For charges and exemptions see charges for use of facilities.

**F. *Sixth Priority - For Profit Community Use***

Any activity, group, or organization meeting for community purposes that involves a charge or profit shall be assigned to this priority. For charges and exemptions see charges for use of facilities.

**Carroll County Public Schools reserves the right to reject any application for use.**

## **APPLICATION**

An *Application For Use of School Facilities* must be completed and approved for each event or group or series of events.

### **AREAS OF LIMITED USAGE**

Areas in the school facilities that are limited for community usage include:

2. The high school football stadia - A special contract must be developed and approved by the Board of Education of Carroll County for use of any stadia. Charges are \$100.00 per activity plus \$5.00 per hour for lighting.

The school principal holds discretionary power for scheduling according to the priority listing, approval, and suspension of usage of school facilities. The Director of Facilities will assist in the event a clarification is needed or a system-wide implication emerges.

**Use of school facilities for overnight functions requires Board of Education approval. Approval should be requested far enough in advance as to allow action at a regular board meeting.**

The principal may reject a request for usage on school holidays, during a facility malfunction, and due to Acts of God (including inclement weather) and in order to facilitate school maintenance.
