### Food Safety Tips and Heating Instructions for Breakfast and Lunch Kits

- ⇒ Store all perishable foods in the refrigerator until you are ready to eat them. Perishable food items include yogurt, milk, cheese, meats, pasta bowls, pasta pouches, pizza items, sandwiches, fruits and vegetables.
  
- ⇒ Remove foil or plastic packaging before microwaving items (unless otherwise noted). Pasta bowls and pouches can be heated in their containers. Items wrapped in foil can be heated in the oven.
  
- ⇒ Wash your hands before eating!
