

# Aetna Discount Vision Program

## EyeMed

Aetna and EyeMed Vision Care bring you a nationwide network of eye care providers at the following retail chains:

- LensCrafters®
- Pearle Vision®
- Target Optical®
- Sears Optical® locations
- JCPenney Optical

The network includes doctors of optometry and opticians. You also can use any of the thousands of participating independent eye care providers who have doctors of optometry practicing at their location or nearby.

You can get these discounts even if you have other vision benefit coverage. If you do have coverage, check your plan requirements first.
