**CARROLL COUNTY PUBLIC SCHOOLS  
ADMINISTRATIVE REGULATIONS**

**BOARD POLICY JL:       COLLECTIONS FOR CHARITABLE AND RESEARCH  
                                  PROJECTS**

---

Charitable organizations may solicit funds or goods in the schools for charitable and research projects upon the approval of the Superintendent/designee. All requests for “charities-thons” must be submitted in writing and receive approval. Once approved, the activities are handled as follows:

1. Participation in the activities in any school is at the discretion of the local school principal.
2. The school principal will distribute information, make announcements, or post information on bulletin boards, as they deem appropriate. Sponsor sheets may be made available in an appropriate area for students to pick up.
3. School personnel should not be required to become involved in providing additional support in the collection of money.
4. The amount contributed by individuals shall not be revealed.
5. Competitions between students, classes or schools should be positive and supportive of all parties involved.
6. The activity shall not interfere with regular school functions.
