

Board of Education

Work Session I

Redistricting and Facilities Utilization

Mission and Goals/Transportation Considerations

BOARD OF EDUCATION WORK SESSIONS

A redistricting and facilities plan that:

- **Identifies the process and parameters needed to provide high quality educational facilities;**
- **Addresses the educational needs of all students;**
and
- **Is consistent with the long-range planning needs of Carroll County.**

February 8, 2017

System Goals and Mission

At the end of this work session planning process, the Board of Education will be able to articulate a redistricting and facility utilization direction to the Superintendent that fulfills the following five goals.

System Goals and Mission

1. Create a facility utilization capacity consistent with sound educational practice.

System Goals and Mission

2. Create a facility utilization plan that considers the impact of facilities on educational programs.

System Goals and Mission

3. Create a facility utilization plan that operates within budget requirements.

System Goals and Mission

4. Create a facility utilization plan that is aligned with long-term strategic planning with county government .

System Goals and Mission

5. Create a facility utilization plan whose process is driven by collaborative community engagement through public hearings, written comments, and Board of Education advisory committees.
