Parents As Teachers (PAT) Home Visitation Program is offered FREE to RME Judy Center families with children prenatal to age 4. A Parent Educator provides visits in the home, to support and empower parents through conversation, typical play and interaction with their child. PAT promotes healthy overall growth, development and school readiness.

**We have immediate openings and are looking to support you and your family!**

**The Chicago Parent Program**

The Chicago Parent Program (CPP) is a 12-session, video and group-based parenting skills training program that has been shown to improve parenting skills and confidence and reduce behaviors in young children 2-5 years old.

More information will be coming! We will be holding sessions starting in the Winter of 2022.
