

Review of Instructional Materials Criteria for Curriculum Council Review

Only after recommendations from the content area supervisors are materials considered; therefore, it can be assumed that content is appropriate and supports the curriculum.

Review the materials for the following factors:

1. Meets community standards for language content.
2. Provides appropriate, accurate, and non-biased subject and grade level content.
3. Provides accurate and appropriate recognition of minorities and various ethnic groups.
4. Represents appropriate and current qualities regarding technology.
5. Provides for a stereotype-free presentation, except when historically appropriate.
