  - All persons attending must arrange for timely transportation at the conclusion of the event. Failure to arrange for this transportation may result in denial of admission to future events
  - An adult must accompany any non-high school students attending events
- 

## Governor’s Order as it affects spectators at outdoor sporting events:

  - iii. All spectators shall go to their seats and remain seated, to the extent possible. At the end of the sporting event, all spectators shall exit the venue directly. Note: Spectators may certainly stand so long as they do not leave their seats.
