

Fourth Grade Newsletter December 2,2020

General Info:

- We hope everyone had a relaxing break!
- Please remind students to keep their cameras turned on during class
- Make sure students are prepared for class each day with resources and materials to write with.
- Please remember to check Home Access Center each week to check your child's grade.

Important Dates:

- 12/2- Greenmount Restaurant Night
- 12/3- Math Test- Division

Math

We are finishing up our division unit this week. Students will be taking their math test for division on Thursday 12/3. Students will be tested on division with up to a 4 digit dividend and will be asked to interpret remainders. Next week we will begin Unit 3- Fractions!

Science/Social Studies

Students have been working on a five paragraph research paper about a National Park that they chose. That paper was due 11/25. Currently, they are presenting their project to their peers.

Next, we will be working on Science. Our first unit will be: Interdependent Relationships in Ecosystems.

Humanities

ELA- Students will be completing the Comprehension Benchmark Assessment (CBA) this week. The results of the assessments will be used to determine instructional goals for each student and provide a data point to measure student progress.

This month, students will continue reading several non-fiction text to work on their character transits, sequencing, text structure, and text features.

Writing- Students have been working on organizing their written responses into detailed paragraphs. They have been doing a wonderful job at finding evidence from the text to support their claim. Students will continue working on elaborating on their ideas in their writing in order to become stronger writers.
