

CCPS & CCPL Summer Reading Challenge 2020

CARROLL COUNTY PUBLIC LIBRARY

SUMMER READING

JUNE 15 - AUGUST 31

IMAGINE YOUR STORY

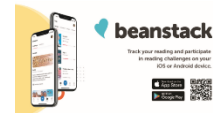

EARN 300 POINTS TO COMPLETE THIS YEAR'S PROGRAM!

This year we continue to collaborate with the Carroll County Public Library Summer Reading as Westminster Elementary's Summer Reading Challenge! **IMAGINE YOUR STORY** this summer at CCPL virtually (*and maybe in person*)! If you complete the public library Summer Reading program and earn 300 points, you will be eligible for rewards from CCPL. (See CCPL Game Board Log for more details) **Game boards are in the week 8 packets that every student received and in report card envelopes.** They can also be found on our school website.

How It Works

1. Register: **Pre-registration** starts **June 1st**. You have two options for participating:
 - Keep track on the game board and reading log. Return the completed game board to the library in September with 300 points logged to be eligible for a prize.
 - **If you registered last year you do not need to create an account, you can use your same username and password from last year. If you do not remember, there is an account look-up feature on the website to recover it! If you are currently registered for the Spring Reading Challenge you can use that same username and password as well.**
 - Register online at: <https://carr.beanstack.org/reader365> or
 - Install the mobile app BEANSTACK TRACKER on your iOS or Android device.
 - Track your activities online or on the app
 - Your point totals are shared in a report to your school
2. Read, write reviews and/or complete activities to earn points from **June 15th – August 31st**.
3. Earn 300 points to finish the program and 1000 points for a bonus prize, from the library.
 - Qualify for a book from Random House and raffle entry to win an Amazon gift card from the Carroll County Public Library!
 - Students entering grades K-5 can earn a reward from their school by recording 300 points online with CCPL or by turning in your completed paper CCPL game board/reading log with 300 points of activities completed!
 - Reach 1000 points to choose another book from Penguin Random House and be entered in the \$100 Amazon gift card drawing.
 - If you go all digital with this, we will have your information in the database and can see when you have reached your goal.
 - If you decide to use the CCPL game board, we ask that you let your local branch know you have finished so they can be sure you are eligible for their prizes. **Westminster Branch contact number: 410.386.4490**
