“Tryout Information”

Tryout Dates and Times

- August 12, 2020 at TBD
- August 13, 2020 at TBD
- August 14, 2020 at TBD

All tryouts will be held at the Links of Challedon golf course located off of route 27. Depending on the number of players trying out, we may have to make cuts at the end of tryouts since the golf course can only handle a certain number of players on their course. The first day of tryouts will be spent on the practice range and putting green. The second day will consist of a 9 hole tournament. The Third day will be back on the practice range for a series of skills tests which will include hitting various clubs on the driving range, chipping, and putting. All scores are to be turned in. All skills will be evaluated. To give you a sense of what is expected returning players will be required to shoot a 50 or better and new players will be required to shoot a 60 or better.

Requirements to Tryout

All players must turn in the Required Packet of Information before the first practice. Family ID Registration – This is an online registration for all fall Athletes. Physicals can be printed out from this site and uploaded to your registration. It should be active to register on 6/15/20.

- Physicals (All players trying out for the team must have a physical on file that has been completed by a doctor. Physicals are good for 13 months) **It can also be turned in over the summer to the main office, or Randy Pentz (Athletic Director).**
- Players must have their own set of clubs and wear proper golf attire.
- Players must have a working knowledge of the rules and etiquette of the game of golf.

Expectations if you make the Team

- Be a positive role model on and off the course first and foremost.
- Be a student first, academically eligible status, athlete second.
- Purchase a team uniform polo, hat.
- Demonstrate a positive attitude and demeanor at all times. The team is a guest at the Links of Challedon and must act accordingly at all times!!! Inappropriate behavior will not be tolerated!
- Attend all practice sessions. The schedule will be given to all players after cuts are made.
- Make arrangements for rides to and from practices. On scheduled home matches, there will be no bus provided to and from Challedon, our home course.

Make sure you get out and work on your game this summer, which means practicing all aspects of the game. Tryouts will be used for us to evaluate your complete game, not give lessons! I recommend that you spend lots of time hitting balls on the range, chipping, playing out of the sand traps, putting, and playing 9 or 18 holes of golf.
