PREVIEW

Carpentry provides instruction in techniques used in commercial and residential construction. The course will include all aspects of construction from vacant lot to the finished product. Emphasis is placed on the coordination between vendors and other trades people who supply services needed at site for a completed project. The course also includes estimating prices relating to consumers and trades

COLLEGE CREDITS AND CERTIFICATIONS:

- Earn articulated college credits through Pen College of Technology or The Community Colleges of Baltimore County.
- Take the NCCT Academic Core v2 and NCCT Academic Carpentry Level I v2 tests.

Pennsylvania College of Technology
