

<b>Foundations Standard 1 : Academic Foundation</b>				
<b><i>Human Structure and Function</i></b>				
	Apply science concepts in the assessment and delivery of care			
	Describe common exercise related injuries and treatment			
	Describe common medical diagnoses and rehabilitation plans			
<b><i>Medical Mathematics</i></b>				
	Apply medical mathematics			
<b>Foundations Standard 2 : Communication</b>				
<b><i>Concepts of Effective Communication</i></b>				
	Demonstrate effective communication			
	Report relevant information in acceptable time frame			
	Explain the difference between subjective and objective information			
<b><i>Medical Terminology</i></b>				
	Use medical terminology			
<b><i>Written Communication Skills</i></b>				
	Demonstrate written communication skills (class/lab/clinic)			
<b>Foundations Standard 3 : Systems</b>				
<b><i>Healthcare Delivery Systems</i></b>				
	Compare and contrast different healthcare settings			
<b>Foundations Standard 4 : Employability Skills</b>				
<b><i>Demonstrate Professional Healthcare Standards</i></b>				
	Work Effort			
	Safety Habits			
	Organization			
	On Task Behavior			
	Responsibility			
	Initiative			
	Team Work			
	Respect			
	Interpersonal Skills			
	Professional Appearance			
<b><i>Employability Skills/ Preparation</i></b>				
	Health career portfolio			
	Mock job interview			
<b><i>Career Decision Making</i></b>				
	Describe careers within the health science pathways			
	Apply career decision-making skills			
<b>Foundations Standard 5 : Legal Responsibilities</b>				
<b><i>Legal Implications</i></b>				
	Apply procedures for accurate documentation and record keeping			
<b>Foundations Standard 6 : Ethics</b>				

	<b>Ethical Practice</b>			
	Apply legal practices (HIPAA, confidentiality, patient rights and privacy)			
<b>Foundations Standard 7: Safety Practices</b>				
	<b>Safety and Infection Control</b>			
	Demonstrate safe practices			
	Demonstrate infection control practices			
	Identify, respond to, and/or report emergencies or safety hazards			
<b>Foundations Standard 8: Teamwork (See Foundations Standard 4 - Teamwork)</b>				
	<b>Healthcare Teams</b>			
	Demonstrate effective teamwork ( <i>Do Not Score</i> )			
<b>Foundations Standard 9: Health Maintenance Practices</b>				
	<b>Health Behaviors</b>			
	Apply behaviors that promote health and wellness			
<b>Foundations Standard 10: Technical Skills</b>				
	<b>Provide Personal Hygiene and Comfort Measures</b>			
	Demonstrate use of adaptive equipment for personal hygiene			
	<b>Assist With Client Intake and Output</b>			
	Assist with adult or child feeding utilizing adaptive equipment			
	<b>Assist With Ambulation and Movement</b>			
	Use proper body mechanics			
	Assist client with transfers/ambulation			
	Assist with active and passive range of motion exercises			
	Demonstrate use of a mechanical lift			
	Describe the Gait Cycle			
	Demonstrate proper use of canes			
	Demonstrate proper use of crutches			
	Demonstrate proper use of walkers			
	Demonstrate proper application of splints			
	Demonstrate proper application of slings			
	Describe potential complications related to casts			
	<b>Assist with Physical Rehabilitation of a patient</b>			
	Describe therapeutic modalities			
	Describe injury assessment of the head and spine			
	Describe injury assessment of the upper extremities			
	Describe injury assessment of the trunk and pelvis			
	Describe injury assessment of the lower extremities			
	<b>Measure Vital Signs</b>			
	Measure and record temperature with an oral thermometer			
	Measure and record radial pulse (manual)			
	Measure and record respirations			
	Measure and record blood pressure (manual)			

		Measure and record vital signs using V/S machine (automatic)		
		Measure and record height and weight		
		Observe and check oxygen administration		
		<b><i>Practice Safety Measures</i></b>		
		Practice proper body mechanics		
		Demonstrate emergency assessment and preparedness		
<b>Foundations Standard 11: Information Technology Applications</b>				
		<b><i>Information Technology</i></b>		
		Identify records and files common to healthcare		
		Interpret information from medical records		
		<b>Complete Career Portfolio</b>		
		<b>Complete Mock Job Interview</b>
