## IS APPRENTICESHIP FOR YOU?

The Pipefitters Apprenticeship Program offers training at its state-of-the-art facility in Baltimore, as well as at satellite locations in Seaford, Delaware and Martinsburg, West Virginia.

Hands-on instruction is presented by experienced highly qualified trainers & instructors. The high-technology classrooms and simulation rooms are modeled for an interactive environment.

### REQUIREMENTS

- Be 18 years of age at the time classes begin
- Have transportation • Be drug free
- Have a high school diploma (by means of high school graduation, GED® or NEDP)
- Be physically able to perform required tasks
