- Objective IV.iv: CCPS provides safe and secure schools, facilities, and assets that serve our students and communities.
- Objective IV.v: CCPS maintains modern schools, facilities, and resources that support the educational program.

School Needs Assessment – Based on Analysis of Data at SIT Retreat

Create an environment that celebrates academic excellence.
Build positive relationships between students, staff, parents, and the community.
Establish a culture of respect for all.

School Improvement goals to target areas from needs assessment

- Improve the degree to which students are accessing a well-rounded curriculum
- Improve MCAP scores in ELA and Mathematics
- Ensure that students’ safety and equity needs are met

School Improvement Goal

1. Increase the number of students pursuing multiple pathways for success

Strategic Actions	Time Line	Measures of Success / Desired Performance Level
Throughout the course of the semester and through the reverse verification process, teachers will identify ninth and tenth grade students in introductory academic classes who would benefit from AP classes.	Complete May 2021	The percentage of students registered for AP classes will increase by 3% over 2019-2020 data. The percentage of students registered for honors classes will increase by 3% compared to 2019-2020 data.
Throughout the course of the semester and through the reverse verification process, teachers will identify tenth and eleventh grade students in academic classes who would benefit from entry level college courses.	Complete May 2021	The number of students registered for dual enrollment courses will increase over by 5% compared to 2019-2020 data.
Identify students taking preliminary courses in who would benefit from a completer program	Complete May 2021	The number of students attempting to earn a completer certificate will increase compared by 5% compared to 2019-2020 data

School Improvement Goal		
2. Improve the proficiency level of each subgroup in ELA and Mathematics and Government		
Strategic Actions	Time Line	Measures of Success / Desired Performance Level
Courses in ELA will be taught by highly qualified teachers. Students will be challenged by engaging teacher using a rigorous curriculum. Remediation and enrichment will be offered during class and SET.		The percentage of students achieving proficiency on the ELA MCAP for 2020-2021 will exceed by 5% the percentage of students achieving proficiency on the ELA PARCC test for 2018-2019.
Courses in Mathematics will be taught by highly qualified teachers. Students will be challenged by engaging teachers using a rigorous curriculum. Remediation and enrichment will be offered during class and SET		The percentage of students achieving proficiency on the Math MCAP for 2020-2021 will exceed by 5% the percentage of students achieving proficiency on the Math PARCC test for 2018-2019.

School Improvement Goal		
3. Ensure that students' safety, security, and equity needs are met		
Strategic Actions	Time Line	Measures of Success / Desired Performance Level
Implement the Sources of Strength program	Ongoing May 2021	2019 Sources of Strength Pre Survey (baseline) Sources of Strength Post Survey
