

## **South Carroll High School Athletic Hall of Fame**

The athletic program is, and always has been a vital part of the overall educational experience at South Carroll High School. The experiences lived and skills learned on the playing fields at South Carroll have helped prepare student-athletes for life in the adult world and provided lasting memories. Thousands of student-athletes, and hundreds of coaches, administrators, and others have participated, or played a role in the school's athletic program since its inception in 1967.

There are, however, those special people who have stood above the rest in their achievements and contributions to the South Carroll Athletic program. In order to properly recognize these elite contributors, we are proud to announce the birth of the South Carroll Athletic Hall of Fame.

The mission of the South Carroll High School Athletic Hall of Fame is to recognize and honor former athletes, coaches, administrators, and others for their outstanding achievements and contributions to the school's athletic program.
