Westminster High School would like to congratulate **Jeremy Dunn** who has reached the level of Commended Student for the National Merit Scholarship Program. This program is part of the PSAT (Preliminary Scholastic Aptitude Test) testing process. Students who take the test in the 11th grade and do well compete for academic scholarship and national recognition. Jeremy is among 34,000 other students across the country who have reached the level of commended student.

Congratulations to Jeremy Dunn!

Keep up the great work Westminster and continue to build the best high school in the State of Maryland and beyond and good luck to our students who are taking the PSAT test on Thursday October 29th.

A reminder that Oct. 29th will be an asynchronous day for all students, as many of our students and staff will be taking or proctoring the PSAT test during much of the day. Students should still check their attendance (mark themselves present) and look for short lessons or material to work on for the day.
