Westminster High School would like to congratulate **Alliyah Gregory** for her recognition as a College Board National Recognition Program Scholar. This accomplishment is awarded to Alliyah for scoring in the top 2.5 % of the PSAT/NMSQT test takers who identify as one or more of the following:

African American, Hispanic American or Latino, Indigenous, or attend school in a rural area or are from a small town and recognized accordingly. This program is part of the PSAT (Preliminary Scholastic Aptitude Test) testing process. Students who take the test in the 11th grade and do well compete for academic scholarship and national recognition. Alliyah is among the most elite students to participate in this testing process.

Congratulations to Alliyah Gregory!

Keep up the great work Westminster and continue to build the best high school in the State of Maryland and beyond. Good luck to our students who are taking the PSAT test on Thursday, October 29th.

A reminder that this Thursday, Oct. 29th will be an asynchronous day for all students, as many of our students and staff will be taking or proctoring the PSAT test during much of the day. Students should still check their attendance (mark themselves present) and look for short lessons or material to work on for the day.
