American Education Week: November 16–20, 2020

American Education Week presents everyone with an opportunity to celebrate public education and honor individuals who are making a difference in ensuring that every student receives a quality education. American Education Week happens the week prior to the week of Thanksgiving. Each day of the week has its own theme, during which we celebrate our public-school community. Festivities honor the team of people who work in our nation's public schools, everyone from the bus driver and classroom teacher to the cafeteria worker and administrative staff, plus countless others.

ATTENTION: Westminster High School Sophomores - HOBY Leadership Conference

The Counseling Office would like to invite you to participate in the 2021 Hugh O'Brian Youth (HOBY) Leadership Conference. The seminar will take place June 10-13, 2021. The decision is being made whether the seminar will be held virtually or in person at Towson University. HOBY is the premier youth leadership program for high school students. The program encourages students to engage within their communities to help motivate and empower change for the greater good.

To be considered as a candidate for this conference, students will need to submit an essay of 150 words or less on the most rewarding and challenging aspects of being a leader in their school and community. This essay will be reviewed by a committee of WHS staff who will select ONE student and ONE alternate to represent Westminster High School.

Please return your essay to the Counseling Office by Monday, November 30th. Submissions may be e-mailed to Ms. Laurie Krom at lkrom@carrollk12.org or dropped off to the Visitor Management Booth in an envelope marked with your name and grade.
