

# WHS Daily Announcements

November 24, 2020

## Just a quick reminder about student attendance:

- Students who are physically present at WHS will not be required to record their attendance in the Google Attendance Classroom. (Hybrid Teaching Model Only)
- Students who are not physically present at WHS and are attending virtually are still required to report their attendance in the Google Attendance Classroom. Virtual students who do not mark themselves as present in the Google Attendance Classroom will be marked absent for the day. **Students may do this at any time during the day. If they forget in the morning, please have them mark themselves present in the afternoon.**
- On Wednesday, all students will report their attendance in the Google Attendance Classroom.
- Parents will receive an email/phone call if their child is marked as absent the day before. If that occurs, please email our attendance office to confirm the student either forgot to check in OR was absent. Please include the name, date and explanation. This is the same email used when you report an absence. [WHSattendance@carrollk12.org](mailto:WHSattendance@carrollk12.org)

## Senior Portraits – Class of 2021

On Monday, December 7 and Tuesday, December 8, Lifetouch will be taking Class of 2021 senior portraits. Seniors who were not photographed in previous sessions should have received a mailing with portrait appointment information.

Please note we have adopted a new scheduling process to help with social distancing and crowd control, per CDC protocol. Students or parents will need to log onto the PrestigePortraits.com website to "self-schedule" their appointment. The appointment card mailed home contains a unique ID number to log onto

PrestigePortraits.com to select a date/time convenient for your appointment. To help with the "no-touch" policy, students/parents are encouraged to pay the sitting fee online when making their appointment. Parents and students that are unable to pay online will be able to make onsite payments using cash, check, or credit card.

**This is the last time that Lifetouch is scheduled to do senior portraits at WHS.** Even if the student has no intentions of purchasing senior pictures, those who wish to appear in the yearbook should attend a session. There is no fee charged for those who simply wish to be in the yearbook – this must be communicated to the photographer.

For further questions or if you did not receive an appointment card, please call 410-644-7700 asap.

## **Underclassman Portraits:**

Students in grades 9-11 who had their school pictures taken in October may come to Westminster High School to pick up their portrait packages. Pickup times this week are Tuesday (today) 7:30am-3:30pm or Wednesday 7:30am – 11:00am.

**Lifetouch will be back to WHS for underclassman school picture makeups and retakes on December 15 and December 17. Any underclassman who did not get their picture taken in October should plan to attend one of these dates. Appointment sign-up information will be sent home soon.**

**Any underclassman who is dissatisfied with their portrait package may return the package to the photography staff on Dec. 15 or Dec. 17 for a retake.**

Further questions regarding photos can be answered by Lifetouch Studios at 410-644-7700.

*\*\*Note – Students must be photographed by Lifetouch in order to appear in the yearbook. Even if you do not intend to buy pictures, students should still attend a*

*photo session to receive a school ID and to be included in the yearbook. December 15 and December 17 will be the last opportunity to do this.*
