### **Community Service Opportunities at Mt. Airy's Train Station Museum**

The Historical Society of Mt. Airy is offering community service opportunities to students in grades 6-12 who would like to help with reviewing, cataloging and preserving historical records.

If you're interested in local history, be sure to visit the museum. You will see photos and artifacts from businesses, schools, and interesting citizens. The train display with four model trains features buildings, people, animals, and landscape created as exact replicas of Mt. Airy in the early 1900s. Photos of "old Mt. Airy" are on display to show the authenticity of the display.

Interested students should send an email to [historicalsocietyofmountairy@earthlink.net](mailto:historicalsocietyofmountairy@earthlink.net). Historical Society members will explain details and help to set up flexible hours.

The train station museum is open to visitors on Saturdays and Sundays from 12-4 pm. The museum will also be open on Wednesdays during the Farmer's Market. Appointments can be made for other times. You can also check us out on Facebook.
