Remote Learning with Kami:
How to get started from Google Classroom

A step-by-step guide for students learning at home

Step 1

- Install the Kami Chrome Extension in your Google Chrome Browser (kami.app/extension)
- Click the **Add to Chrome** button, then **Add Extension**

Step 2

- Open the Kami app by going to https://web.kamiapp.com

Step 3

- Sign in using your school's Google account using the **with Google** button. If you don't have a Google account, type your school email address and enter in your password, then click the **with Email** button

Step 4

- Select **K12 School**, then **Student** as your role, then **Finish**. Now, Kami is set up on your device
