

Virtual Wednesdays 2020–2021 Shiloh Middle School

- *The Board of Education wants to ensure that teachers have flexibility on Wednesdays to meet with struggling students and to catch up on work. The same goes for our students. Many of them also need time to catch up with school work, and to get any needed help from teachers.*
- *Shiloh will use Wednesdays as a day for teachers to provide small group instruction, individual support, re-teaching, or a chance for interventions based on students' needs.*
- *Wednesdays will not be a totally asynchronous day. Teachers will at least check in with all students before releasing them to work on assignments.*
