Reminder - Virtual Daily Attendance – Student and Parent Directions
Students will have a class in their Google Classroom Called “Daily Attendance”. They log in each day, anytime between 6 am and 5 am the following day, and answer the question “Are you here?” There is one choice- “Yes”. Students answering this will confirm that they had access to learning and therefore marked present.

Please review the attached directions for students and parents on the process to account for daily attendance. The directions include an embedded video as well as step-by-step instructions with screenshots. Note- Attendance is OPEN from 6:00am the day of through 5:00am the following day (e.g. 6:00am Tues, 9/8 through 5:00am Wed, 9/9). Each day has a 23 hour window for students to mark themselves present. The directions are also on our Shiloh website. Please report absences by email to smsattendance@carrollk12.org.

Shiloh Partnering with Weis 4 School Program
Shiloh is partnering with Weis Markets in the Weis 4 School program. Please see the attached flier. For those that shop at Weis and have a club card this is a very easy way to raise some money for our school. Once you link the school bar code to your club card, we will earn money every time you shop there and use your club card. The funds will be used to support student programs at Shiloh.
Virtual After School Clubs – Permission Forms Required
Student Government Association: The Shiloh’s Student Government Association is looking forward to another great year! Students interested in continuing or new students who would like to join, please contact Mrs. DeButts at rbdebut@carrollk12.org.

Shiloh Voice: The goal of this club is to provide students with a safe place to use their voices to share their personal experiences, concerns, and to reduce their feelings of isolation. This club will be a safe place for students to tackle some of the difficult events and topics including but not limited to establishing circles of trust; the importance of maintaining good character; and strategies and tools for responding to racism, discrimination, and equity (unconscious bias). It is open to all students who feel they need support in dealing with issues. Please contact Mrs. Sevik at ansevik@carrollk12.org or Mrs. Petry at alpetry@carrollk12.org for more information.

Reminder – Usernames and Passwords
This is just a reminder that students and parents should use HAC to get their usernames and passwords. We are not able to share this information through email or by phone. For help, please email mystudent@carrollk12.org.

That’s all for now! Stay safe and healthy and I hope to see you soon! It is my privilege to serve as your child’s principal!

Sincerely,

Mr. Watkins, Principal
